

Physical Science Curriculum Support Document

Curriculum Support for the 2004 revision of the *North Carolina Standard Course of Study* for Physical Science

Acknowledgements

A group of dedicated and talented science teachers sent many hours developing these materials. The result is this resource that will facilitate the implementation of the North Carolina Science Curriculum.

A special thanks to the authors of these materials:

Pamela Lovin, Educational Consultant
Stephen Charles, Walter H. Page High School
Carolyn Elliott, South Iredell High School
David English, North Side High School
Pam Griffiths, Havelock High School
Tammy Schooley, East Carteret High School
Barbara Wallace, North Gaston High School
Dave Zwadyk, Southern Guilford High School

And to the many other teachers and scientists who provided helpful comments:

Deborah Grey, SAS In Schools
Charlotte Song, Teacher Link Fellow

We would like to extend a special thanks to Sam Houston, The North Carolina Science, Mathematics and Technology Education Center, the Teacher Link Fellows and The Burroughs Wellcome Fund for their generous support during the development of these materials.

Every effort is made to keep these materials accurate and up to date. Check the Department of Public Instruction's website
<http://www.ncpublicschools.org/curriculum/science/scos/> for the most current version.

Comments on these materials should be addressed to:
